Thursday, June 06, 2013

7:30am -9:00am **Continental Breakfast and Registration**

9:00am - 10:15am **Welcome from Chancellor Skidmore**

9:15am - 10:45am **Concurrent Sessions 1**

Session A
Ballroom 2

Modular and Accelerated Course Formats

Representatives from Pierpont Community and Technical College, West Liberty University, and WVU at Parkersburg will discuss their use of module based courses in mathematics and English. Module courses are designed to provide students remediation only in those areas in which they are deficient, thereby accelerating their trajectory through developmental education.

Session B
Sutton Room

Bridge Programs

Marshall University and New River Community and Technical College will present information about their summer bridge programs. These programs provide students with refresher courses in mathematics and English. Bridge programs are intended to alleviate a student's need for developmental education.

Session C
Tygart Room

Fast Track/Stacked Courses

Faculty from Mountwest Community and Technical College and Blue Ridge Community and Technical College will discuss their fast track courses. These courses blend developmental education and traditional college-level courses into one semester.

10:45am- 11:00am **Break**

9:15am - 10:45am **Concurrent Sessions**

Session A
Ballroom 2

Developmental Education Reform at Four-year Institutions

This session is an opportunity for representatives from four-year institutions to discuss any challenges they may be facing as they embark on developmental education redesign. Patrick Crane will facilitate.

Session B
Sutton Room

Working with Adult Basic Education

Representatives from ABE and WVU at Parkersburg will discuss successful partnerships between ABE and community colleges. Participants are encouraged to consider other promising practices for partnerships between community colleges and ABE. Kathy Butler will facilitate.

Session C
Tygart Room

Developing Technical Math Pathways

Faculty from Bridgemont Community and Technical College and Blue Ridge Community and Technical College will discuss the potential for creating a technical or non-transferable math pathway for developmental education students. Sarah Tucker will facilitate and provide national context about matching math competencies to college majors.

12:30pm - 1:30pm

Lunch

Located at Stillwaters Restaurant

1:30pm - 2:30pm
Ballroom 2

Developing Better Placement Strategies

Members of the Developmental Education Assessment Subcommittee will discuss their research into the creation of a more informative diagnostic assessment. They will provide their recommendation for the state moving forward.

2:30 - 4:00pm
Ballroom 2

Next Steps

Participants will reconvene as campus teams to discuss and strategize on their developmental education reform plans and what they still need to know to improve student success in gateway courses. Policy and Planning, as well as other invited speakers, will be available for support and questions.
